## New: LE COUCOU EXPERIENCE

Created by the teams, the Le Coucou Experience is the signature massage this year. Bringing together different massage techniques from around the world, this treatment helps you recharge your batteries and regain vitality during your vacation. Thanks to the facial section and the Tata Harper product range, your skin will regain its luminosity. A truly holistic experience in our high-altitude cocoon.

90 min €290

## Body care x TATA HARPER

---

### TRIPLE EXFOLIATING 60 min €195 90 min €290

The use of a body peel will enable the effective removal of superficial cells, as well as better cellular regeneration. The virtues of the detoxifying botanical blend and the massage will activate microcirculation for healthier skin.

### GUA SHA MASSAGE 60 min €195 90 min €290

A relaxing technique that uses heated thermal stones to relieve muscular tension. Combined with massage movements, this treatment provides a feeling of well-being and relieves stress.

### RITUAL SERENITY 90 min €295

Wake up tired skin with this regenerating treatment designed to rehydrate the whole body. First exfoliated to perfection, follow with a relaxing massage and feel a sensation of serenity and pure well-being.

### RESURFACING BODY TREATMENT 90 min €295

The treatment begins with a full-body dry brushing to remove superficial cells, while the application of the resurfacing serum combined with the Gua Sha technique smoothes and moisturizes your skin for a brighter, more even appearance.

### REVITALISING SCRUB 30 min €100

An exfoliating treatment that removes superficial cells from the skin's surface, leaving it smooth, soft and radiant.
